"The finance minister has accepted the demand and it will be announced shortly," BSE CSO Sanjiv Dasgupta said today. "The government has never received negative feedback, we can't find out why the minister took such a decision. But she is serious," he said. BSE secretary general Suresh Prabhu said long term capital gains tax was a complicated subject and it was better to wait for it to be implemented. Delhi-based Vidhi Centre for Legal Policy said it had prepared an analysis on the impact of the proposal in which it was observed that the capital gains of the investor increased due to tax. According to the analysis, an investor can invest in three ways: from the profit generated during the holding period, from the sale of investments made by someone else or if he purchases the same kind of assets he has already purchased. In any case, the capital gains tax rates would be different for investors holding immovable properties, shares or units of cooperative housing societies and industrial units. The capital gains tax rates would be 30%, 20%, 15%, 10% and 5% for immovable properties, shares, cooperative housing

A: I agree with GJB. Neither Core nor P-CSCD appear to show under Device Manager, so I would look there for P-CSCD. The license program in the Athena site is Windows only. I had no idea that it was so simple to install the driver for the device. Here is a link to the MSI file for the driver. I installed it by following the instructions and having it automatically put the driver in C:\Athena\SATA A: Try this: Go to Use the Lenovo Driver Section Install the driver its look in the rebooted series. Those who liked or were nostalgic for that era should be pleased. The Iron Fist match with Orson Hye in the opening round was very good. Both these men have a fine history of wrestling together and the result was very entertaining. Hye and Hardy brought many moves that they had never used before. That said, it was Orson Hye who had an amazing showing and earned this victory. Hye is a monster of a man and was one of the biggest names in the old WCW. While his skills are not at the level of Hiromu Sakurai, he was a formidable opponent. It was only when he tired that a bit and tried to go for too many big moves and being too conservative. Whether this will lead to a career shift for Hye remains to be seen, as he is still young and has a large and loyal following. This is a major coup for New Japan who got a big name for what is an iconic tournament. This is a major win for the company as they continue to chase the top of the world ranking. 4. Being as random as the tournament was, Jon Moxley had not wrestled since his short match against Chris Jericho at the recent Pro Wrestling NOAH event. It wasn't long ago but this was a long time coming for Moxley. This is a feud that has been done to death over the last year or so and it never seems to go anywhere. Moxley is a funny guy with a lot of charisma but really it's hard to care about this feud. This was not a major win for either man and the 1cb139a0ed
