Relevance. Leila was born into a Muslim family. Her parents are ordinary citizens who worked in the service sector. At the same time, even without an official work permit in Germany, they decided to emigrate to the United States, where their daughter soon began to dance. At this time, she was noticed by the famous American performer Shakira. She was so impressed with Leila's talent that she invited her to take part in the filming of the clip "We found love". There, the young dancer showed herself in all her glory.
