Dream Psychology: Psychoanalysis for Beginners Theory of Human Motivation Transmission of Aggression by Mimicking Aggressive Models Cognitive . We cannot live without dreams. Only a dream can give meaning to our life. But what is a dream? This is desire. But what is desire? This feeling. What is a feeling? This is an energy impulse. This is energy. The energy of desire. Feeling energy. The energy of thought. And these three energies that are always looking for each other - desire, feeling and thought - are all the energy that creates us, our culture, the world and life itself. A dream is the energy that creates people. Our subconscious has everything.
