- An epic adventure where I enter the lands of the Elves. - A state-of-the-art battle system that takes the virtues of swordplay and action role-playing games and combines them together. - A dramatic, dynamic story full of twists and turns! - A vast world with many new experiences. - A wide variety of character design and customizations. - A large map with beautifully drawn enemies and areas full of enemies! - A deep and rich online world full of content! ----- GAME OVERVIEW The game is made up of two main parts: · The scenario, which is divided into chapters with a fixed number of stages. · The battles. The scenario is a story that takes place in the Lands Between. This is a world full of beauty where an endless variety of opportunities awaits. You will explore a vast world full of dangerous challenges and exciting battles, as you take on the role of a drudgery-a tattered elf called Tarnished who dreams of becoming an Elden Lord. In the game, you begin your journey in the Elonian Castle, where you can meet with Roland, a friend of your father and friend of the Elden Lords. You can forge relationships with Roland, and gather strength from him as you set off for a brand new adventure in the Lands Between. You will explore a vast and unfamiliar world as you strive to become the strongest elf who has ever lived. You will encounter many different situations as you fight against monsters and monsters. You will face many different sorts of opponents and interesting puzzles as you try to find and use various items and equipment. In the game, you can fight using a variety of items. You can equip items that will let you perform special attacks or items that will increase your attack power. You can also equip items that will increase your defense power. These items will have the effect of bringing out a part of your character's latent potential. You will also encounter many situations and puzzles. Many different enemies and monsters will appear and attack you. In addition, you will have to use your thinking ability and rational faculties to solve the challenges that you face. In a great many situations, enemies will have "witches" that give off various effects on the adventurers in the game. Finally, the player gets to fight with the bosses that appear at the end of a certain number of stages

"a piece of tunkarmi, yours had once been a piece of a demon's heart..." Complete female human body with missing right arm by gill_xoxo on February 16th 2013, 2:18 pm #I did this one. It's...explicit. Based on the other nude ones I've recently done. It's scary. Do not look at it unless you want to be creeped out.... "You are prepared, as always, for tonight's meeting." by GeneralBelAr on July 15th 2013, 9:49 pm To go along with some other Bel Ar stuff, this is a lot less work than a proper Mandelbrot. That's mostly because the attractors are fixed. As soon as you think you've seen it, it changes. That's always interesting. "I...I would ask you to look after him. For such a man, he can
