BRAND-NEW Â . An issue we've had here on New York City we both bought new Grundig TVs in January/ Feb and neither is working.. that is really irritating. Both have the same symptoms of not Â .Wow! I just found out about this site from Lucky Peach!!! I'm very excited! I have been reading the magazine for the past few months and I got to the point of buying it, but I love the site. Now I know why people are so obsessed with it. It's so beautiful! I love the Wall Art. The stories are incredible. I can't wait to see more of the work of Shook. I guess I'm a sucker for Indie art and photography. Oh well! This is going to be a great adventure. Please keep updating! LOL! Don't worry, Sweetheart, you're not a "Sucker" for "Indie" art. Of course my interest goes to photography; simply because I love to take pictures. I believe the better the pictures, the better the memories. Shook's work is phenomenal. I have a lot of respect for his art. That's a picture of me with my dog, Ego, almost 9 years ago, in a Photo Story by Shook. I'm smiling because it's just before we drove to Australia, for the first time, to explore the Outback. Milwaukee County Executive Chris Abele and his staff have been investigating the legal foundation of Milwaukee County Common Council President Willie "C.B."

Smith for a long time. But he's the only one in jail. It came to light two weeks ago after Smith's lawyers objected to the county's refusal to release certain documents related to Abele's investigation. It was the first time Smith's
