Witch The Bloodlines is a puzzle-platformer, witch hunting game, with open world. In the game you, as a main character, take on the role of a villager. The goal of the game is to survive by finding items, fighting witches, and solving puzzles. The game will take you to a story full of fighting and witches, and it is up to you to defend your village from the endless amount of evil witches. You must venture far in order to save your village and overcome the inner obstacles you have to face. There are a lot of different places to explore and things to be done. The game has a wide variety of enemies and bosses in it. The game is easy to play, but hard to master. You have to use your skills to solve various puzzles. There are 16 different witches to fight, ranging in power and size. There are also a lot of tools which can be bought with the money and materials you will get while playing the game. Each witch is unique, there are a lot of different powers to collect. In game there are various types of puzzles to solve, ranging from simple and easy to hard and puzzle-solving. You'll have to use your brain in witch the bloodlines, simply put the animal's back together. Witch the Bloodlines is a very unique game in witch hunting genre. There will be a wide variety of maps, a wide open forest. Come face your destiny of hunting witches, survive the land that was cursed. There will be a lot of witches, animals, landscapes, and items. Full featured building, item, inventory, shop, enemy, bosses, and witch for you to discover. Witch The Bloodlines is entirely open world. You'll start from the dead village and you will not be able to come back from there if you die. But you are not completely lost. You'll travel in a small space in which you have to find the items, solve the puzzles, and fight the witches. But don't worry if you die, you can't die multiple times unless you sacrifice your soul to a witch. You can make your own character. From villagers, main character or other features. It's up to you how you want your character to be. There are a lot of items and power-ups for you to find. Each item has a specific role. There are certain items in witch bloodlines that

Pistol Whip is a fun, fast-paced single-player VR action game with over 100 gaming bullets. The player becomes a powerful laser pistol with a wide range of abilities that can be used to shoot, deflect bullets and any other projectiles out of the screen, stun enemies and grab items with their hand-like grip. There are numerous game modes to play with weapons like grenades, plasma grenade, lightning bolt, chainsaw, sonic screwdriver, flamethrower, etc. All-new elements include VR gameplay, shockwaves and enemy abilities. The bullet-ripe story will fully immerse players in classic sci-fi movies with deep character interactions and a fun plot with a thrilling conclusion. Key Features: One-handed gameplay with a goal of 100 bullets or less 10+ game modes with 12 different weapons and 4 different abilities Realistic physics simulation with ragdoll effects Well-balanced single-player gameplay with story-driven narratives Two of the most popular movie franchise-based VR games with Deep Effects gameplay merged: Beat Saber and Pistol Whip 100% original VR game with immersive story and traditional sci-fi ideas Fun game modes like victory mode, time trial, limited ammo game mode and more Dual feeling gameplay - music player and shooting game An in-depth tutorial that highlights important gameplay moments Additional downloadable content (like "Pistol" and "Shotgun" weapons) BEST-IN-CLASS GAMEPLAY: Pistol Whip, Beat Saber and Deep Effects is a series of fast-paced, one-handed VR games that is a completely new genre within VR games. In these games, the player uses a single hand to swing, dodge and shoot projectiles. The player can accelerate the world through intuitive motion, such as using the side buttons or thumbstick to hit the gas pedal. Since the game mechanics are easy to control, players can feel intuitive and enjoy a new gameplay experience in VR. Those who enjoy one-handed combat games such as Onward or Panzer Dragoon can enjoy this fun game as well. The Dual Feeling Gameplay: All VR shooting games exist in dual feeling; music game and shooting game. But the Dual Feeling in "Pistol Whip, Beat Saber & Deep Effects" is the first time. Music Player and shooting game are in one hand. This gameplay concept is a perfect match with existing c9d1549cdd
