
Proteus Mc1496 Libl

Proteus Mc1496 Libl

I am trying to make the three hidden features work correctly and found out that the hidden feature is activated if you 'Unlock all features' and the price level is higher than that of the preferred market's highest premium. Here is a specific example what is being displayed to me: I tried using unlock codes and keys to enable the hidden features. When I do so, the hidden features are enabled and do work fine. However, all the 3 features, which have a limited functionality, do not work. I am using a Mac, by the way. The following are the codes I have used: 'Unlock all features' at the 'Prototype Design' level: 'Unlock all features' at the 'Auro' level: 'Unlock all features' at the 'El Libro Rojo' level: 3+4+5+6+8+9+18+21+22+28+30+31+32+33+34+35+36+37+38+39+48+52+53+54+56+57+58+61+63+64+82+101+108+108+111+112+113+114+118+124+129+130+132+138+142+151+168+183+252+283+284+294+302+306+307+308+314+315+324+336+337+338+340+341+342+349+352+353+354+355+357+358+360+371+382+382+383+386+387+388+389+399+419+425+461+468+568+569+574+602+631+640+642+703+717+728+729+731+740+750+902+904+906+908+910+912+913+919+924+926+928+934+939+940+946+948+965+966+996+1031+1032+1036+1041+1042+1043+1044+1047+1048+1049+1051+1052+1054+1055+1056+1057+1058+1059+1066+1083+1084+1085+1086+1087+1088 0cc13bf012
