addressesuricon4.SHRINKAGE AND FIBROSIS OF RENAL CELLS IN ADULT RAT WITH NEPHROPATHY IS ASSOCIATED WITH OXIDATIVE STRESS. The most common renal disease in humans is chronic kidney disease (CKD). Oxidative stress is considered as a major factor for the development of CKD and its complications. To evaluate the renal oxidative stress in nephropathy, we measured thiobarbituric acid reactive substance (TBARS), superoxide dismutase (SOD), catalase (CAT), glutathione (GSH), and glutathione peroxidase (GPx) in the kidneys of nephropathy in adult rat. Male Wistar rats were divided into 4 groups and 2 groups were treated with metallothionein inhibitor, thioridazine (20 mg/kg/day for 6 weeks) and folic acid (15 mg/kg/day for 6 weeks) separately. Renal function markers were evaluated by measuring blood urea nitrogen (BUN), serum creatinine (Cr) and serum urea. For histopathological examination, the samples were stained with hematoxylin-eosin (H&E) and periodic acid Schiff (PAS). The TBARS, SOD, CAT, GSH and GPx levels in the renal tissue were higher ($p = 0.001$, $p = 0.003$, $p = 0.04$, $p = 0.04$, $p = 0.01$, respectively) while the Cr and BUN levels were lower ($p = 0.001$, $p = 0.001$) than the control group. In the thioridazine group, the SOD, CAT, GSH and GPx levels were lower ($p = 0.001$, $p = 0.04$, $p = 0.04$, $p = 0.01$, respectively) while

Plot As the film begins, a gang of illegal drug traffickers, led by a right-wing militant Kwan (Chow Yun-fat) and his assistant, a younger woman named Jay Wada (Nancy Kwan), are awaiting the arrival of their financier, Yosano (Ichiro Fujiyama). Their representative, a large man named Ho (Hwaing Kim), is the only one holding back from attacking the new arrivals, so that he can lay low among the truck drivers and wait for the money. Soon, Yosano arrives with his bodyguard, a young, lithe man named Yamaguchi (Joe Hong). Only moments after the introductions are completed, a police car pulls up, with the young officer in charge (Chow Yun-Fat) getting out to address Yosano. After a brief conversation, he sends his men in to arrest him and the other men, who struggle against the police. While a fight ensues, the other men manage to escape, leaving only Yamaguchi and Kwan behind. After Yosano is arrested, Ho tries to prevent the police from taking Yamaguchi and Kwan away as well. Meanwhile, Wada asks for her lover, a businessman named Gary (Stephen Dunn), to come to her place to give her a massage. While she undresses, he shoots her. Unaware that Gary has already been murdered, Wada insists that Gary has been
