There is a long-standing belief that the world between the seasons has a powerful power. At long last, it is here. The virtual world, which is supposed to be a computer game, has opened its door and is streaming you a fantasy anime. It's called the Lands Between. By tapping into the power of this world, you can give the performance of an Elden Lord. The Lands Between is full of rich fantasy contents. The main dungeons are various in scale and number of floors. Through these dungeons, you will be greeted by colorful beings and landscapes filled with excitement. Summoned to the Lands Between, you will decide the path to become the Elden Lord. Will you follow the path of a great hero or do you intend to become a tragic figure? With the help of the Master who is guiding you, you are to reach the exceptional climax of the story. You will be able to use the tools that will allow you to comprehend the mysteries of the Lands Between in a novel and exciting fashion. -Developer: Media Vision -Publisher: Media Vision For more information, please contact us at: [media-vision@mediavision.co.jp](mailto:media-vision@mediavision.co.jp) © 2017 by Media Vision, Inc. © 2017 by Media Vision, Inc. have left their mark in the forest.

**A Quest for Power to the Elden Lord.** You are given one life, and the manner of that life is determined. You need to develop your own unique skills and fulfill a mission in order to achieve an important goal.

**Create your own Legend.** The game allows you to freely build and customize your character from the appearance to the skills. You can freely build your own Legend and live it out.

**A Quest for Love.** The Companion, an important character of the game, has a number of routes to progress along. (In the bonus episode, two routes for a special reward).

**Unique Fights to Master.** With a multitude of battle styles, each attack increases the more you hit your opponent, allows you to strike more than usual, to detect when the opponent is weak, and to deliver devastating attacks.

**A Deep Story of a Legend.** Each of the voices that was recorded for this game had a profound effect on their previous life. All in all, "a story of a Legend."

**The Depths of the Lands Between.** Eternal darkness lay within the waiting for your adventure. This world is a world in which darkness, monsters, and a prophecy graven in stone lie dormant.
