Can she do it? Yes. With a budget of only N1,500 in this touching love story, the film takes a look at how community members are able to get to work in the Sky, and other projects where the actors are changing their lives for the better. A warm welcome to the Unspoken Voices Room and website. We're a group of writers, musicians, bakers, and friends who have congregated in a corner of 4th & Miami for a desire to explore and create a sense of belonging. We've got a lot to say about ourselves. Don't be afraid to ask us anything about any of our content in our articles below. We'll be glad to clear up any questions you might have and happy to give you more information on us, our projects, and the story of Unspoken Voices.Q: how to increment auto-increment column in mysql I'm quite new to mysql, and am learning by watching MySQL videos. I'd like to increment a column in a mysql table, with a query string like this: UPDATE tbl1 SET id = ID + 1 WHERE id = \$maxId; But this error comes out: 1064 - You have an error in your SQL syntax; check the manual that corresponds to your MySQL server version for the right syntax to use near 'UPDATE tbl1 SET id = ID + 1 WHERE id = 3' at line 1 I can't figure out what to change, to make it work. How to fix this error? Thanks in 6d1f23a050
