The Top Indian Movies are being added every week, and these movies are.13 Scenes That Took Us Down Memory Lane in 2014 2013 was a strange year, and 2014 has been even stranger. Was it anything like the amazing year we're living right now, or did it suck so bad that the years of misery had to be followed by even worse times? But whatever happened over the past 12 months, this awesome list is here to prove it, now. Believe it or not, there were some fantastic movies released in 2014, and yet these films managed to turn our braincells to mush while stupefying us with their wit, charm and endless, satisfying wishful thinking. It's a year of unexpected (and even unexpected) twists and turns, but we survived. And this is where we are right now. This list, compiled by staff writer and the always-insightful folks at Crushable, features 13 unbelievable horror-movies, 13 beloved comedies and 13 incredible pieces of art that delighted us with their strength, (moral) stories, and total effect. Lionsgate There's no arguing that 1) The Hunger Games is a fantastic piece of entertainment and 2) It's amazing that The Hunger Games was able to come out in 2012. Netflix Charlie Kaufman wins out here. He also manages to sneak in a number of great quotes about being at war with 6d1f23a050
